A motion was made by Bruce to approve the minutes & seconded by Larry.

**NEW BUSINESS**

**BOAT RAMP:** Liz stated there is a copy of a letter in their packages to John Hagood regarding the proposed fee schedule for use of the boat ramp on the North Causeway. Parking cannot be enforced on private property, only in designated public areas. A season pass for \$50.00 has been proposed. Daily passes will be available at the marina, which is open 7 days a week. This applies only to cars *with* boat trailers. Liz welcomed any changes or suggestions from the board: \$75 instead of \$100 for the out of area annual pass, keeping the \$10 daily passes for "Watercraft trailer launch fee". The lots will have signage indicating parking by permit only.

**REVENUE SOURCES:** Would like to change Babe James to allow for more flexible hours and institute deposits.

Gym rentals: Port Orange charges \$50 for 2 hours with each additional hour @ \$25. They offer options such as scoreboard operators, etc. The board fears the possible damage could be detrimental and does not recommend renting the gym until a greater need is apparent.

Pavilion fees: The two larger pavilions are Rocco Park and Riverside Park; a smaller one is located at Buena Vista. A fee of \$50 for four hours was proposed.

Bleacher rentals: \$100.00 for two sets delivered and picked up was proposed.

Stage rental: \$100.00 and renter is responsible for picking up and returning. (Mostly used by Flagler and Canal Merchant Association)

Trashcans: Includes one trash bag per can. **(COST NOT VOCALIZED ON TAPE)**

Facility use: Board reviewed summary for use of facilities, primarily the Brannon Center. Playoff game fee schedules, field fees (with and without concession), deposits and football parking fees were also reevaluated.

**Tennis & Shuffleboard:** Pt. Orange charges \$30.00 per person inside City Limits and \$50.00 if outside. Fees will be discussed further at next meeting.

Next meeting is next week, March 26th at 6:00 pm.

Meeting adjourned.
