Florida Department of Transportation (FDOT)
New Smyrna Beach North Causeway Bridges over Berrys and Conners Canals
Volusia County

Project Financial No: 434455-1-52-01

PROJECT DETAILS

The Florida Department of Transportation will repair and rehabilitate two low bridges at the western end of the North Causeway in New Smyrna Beach. The improvements to the bridges include replacing the concrete deck slabs and deck joints, repairing the reinforcing steel and striping.

IMPACT TO MOTORISTS

Work will take place largely during the day behind barrier wall. Occasional single lane closures are possible, and traffic shifts will be required during construction. Message boards and other signs will be used to alert motorists.

PEDESTRIAN SAFETY

Pedestrian traffic will be restricted to one side of the bridge during construction. Signs will be used to safely direct pedestrians.
