City to host Coastal Community Resiliency monthly workshops!

On Tuesday January 16 the City of New Smyrna Beach kicks-off a citizen-led series of workshops entitled Coastal Community Resiliency (CCR). The monthly workshops will be held at the Brannon Center from 6 – 8 pm. to identify policies in support of a competitive, resilient and well-planned city.

The City of New Smyrna Beach is the first municipality in Volusia County to establish a community-based year-long program through citizen involvement, workshops, and policy recommendations. The year-long endeavor will include workshops as follows:

- January 16 – Kick-off meeting. Speakers include Mayor Hathaway, Clay Henderson, and Sally Gillespie.
- February 20 – Environment & Cultural Resources
- March 20- Growth & Development
- April 17 – Social Equity
- May 15 – Public Safety
- June 19 - Economy
- August 21 – Parks & Recreation
- September 18 - Tourism
- October 16 – Transportation
- November 27 – Program Wrap-up

SR 44/Mission/Wallace Intersection Report Released!

Stephen Harris of the River to Sea Transportation Planning Organization reports that the SR 44/Old Mission/Wallace/Canal St Intersection report is available at the following web address:

<https://www.r2ctpo.org/wp-content/uploads/SR-44-Mission-Dr-Alternative-Intersection-Design-Final-Report-Dec-2017-1.pdf>

Based upon the detailed analysis (including field assessment, crash analysis, operational analysis and BC analysis) conducted as part of this study, and public and stakeholder input, Modified Alternative A is recommended for implementation:

- Install an eastbound right turn lane at SR 44 & Mission Drive/Wallace Road
- Extend an eastbound left turn lane at SR 44 & Mission Drive/Wallace Road
- Extend the inside northbound left turn lane at SR 44 & Mission Drive/Wallace Road
- Install a southbound right turn lane at SR 44 & Canal Street Connector and convert the southbound left-through-right to a southbound left turn lane
- Install a traffic signal at SR 44 & Canal Street Connector
- Extend the eastbound left turn lane at SR 44 & Canal Street Connector
- Install a right turn lane into Circle K along westbound SR 44
- Drop the current merge lane along westbound Canal Street as a right turn only at SR 44 & Mission Drive/Wallace Road
- Provide relevant signs along westbound Canal Street and SR 44 approaching the SR 44 & Mission Drive/Wallace Road intersection to inform commuters of the right path and potentially eliminate merge/weave issues.
