New Smyrna Beach Commissioner Reiker honored with 2018 Home Rule Hero Award

Florida League of Cities Recognized City of New Smyrna Beach Official for Outstanding Advocacy Efforts during the 2018 Legislative Session

City of New Smyrna Beach, FL (May 4, 2018) – City of New Smyrna Beach Commissioner Judy Reiker was recognized by the Florida League of Cities with a 2018 Home Rule Hero Award. Commissioner Reiker earned this prestigious award for her tireless efforts to advance the League’s legislative agenda and help protect the Home Rule powers of Florida’s cities during the 2018 legislative session.

Commissioner Reiker’s efforts, including two trips to Tallahassee on behalf of the citizens of New Smyrna Beach to meet face-to-face with state representatives, were part of a larger effort for cities to maintain local control, otherwise known as home rule.

“We are all grateful for Judy’s efforts at the legislature and with the Florida League of Cities. She is always advocating for New Smyrna Beach priorities and this designation is well deserved,” stated mayor Jim Hathaway.

Home Rule is the ability for a city to address local problems through and by local decision makers with minimal state interference. The Home Rule Hero Award recipients are local government officials – both elected and nonelected – who consistently responded to the League’s request to reach out to members of the legislature and help give a local perspective to an issue.

“These dedicated municipal officials are some of the Florida League of Cities’ biggest advocates for municipal issues,” said Florida League of Cities President Gil Ziffer. “Their efforts during the 2018 legislative session were extraordinary. The League and its legislative team are proud to recognize and thank them for their service.”
