

**CITY OF NEW SMYRNA BEACH  
AIRPORT HANGAR WAITING LIST APPLICATION**

The City of New Smyrna Beach has Hangars for single and small multi-engine aircraft available for lease, however, all units are currently rented. This application, when fully completed, will place you on the waiting list. Positions on the waiting list are determined by the date and time this application is received signed and dated by the airport manager's office. Please insure that you maintain your copy of the application. You may submit the application in person, by mail, fax, e-mail or regular mail.

All renters require a lease. An informational copy of the current agreement with all the restrictions and/or the current hangar rental rates is available on request. **Please note that hangar rates are adjusted each fiscal year (October 1<sup>st</sup>) based upon the Consumer Price Index.**

All information below must be included in order for the application to be processed. If you do not now own an aircraft, please so indicate. In order to be assigned a hangar, you must provide proof of ownership or a copy of a lease agreement for the hangared aircraft, as well as proof of insurance. Please notify this office of any changes below so that our records can be updated.
